Volume e materia, forme primordiali, metalli satinati e pietre a contrasto. Anelli, ciondoli e bracciali forgiati secondo uno stile neo-primitivo che coniuga linearità e forza, plasticità ed eleganza. *Volume and matter, primordial shapes, satinised metals, contrasting stones. Neo-primitive forged rings, pendants, bracelets combining line and power, plasticity and elegance.*

Vicente Gracia Bensa

Marta Vélez Bisbe

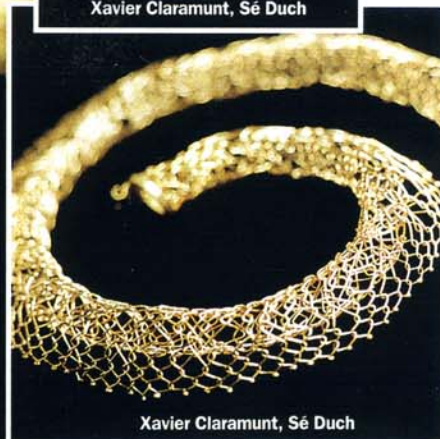

Maglie che sembrano pizzi, fili d'oro che tessono preziose ragnatele, morbidi colliers che avvolgono come una sciarpa. Ispirazione tessile e felice abilità artigianale. *Links like lace, gold threads weaving rare webs, scarf-like necklaces. Textile inspiration and craftsmanship.*
